**REDKEN**  
5TH AVENUE NYC

April 2011

Dear State Registered Hairdresser,

I am writing to thank you for your continued support to the campaign for state registration. As a registered hairdresser, I know you share the belief that this is the way forward and that only proper regulations will ensure the professionalism of our industry and prevent amateurs from practising and indeed opening salons. **David Morris MP has pledged in writing to begin amending legislation to make registration compulsory – the greatest step in the campaign so far.**

To celebrate, and because of your continued support, I am really pleased to offer a gift for you to present to a close friend or colleague (who meets registration criteria) of **completely free registration for six months**. It is so important we increase the numbers on the register, not by a few hundred but by thousands. I believe it is supporters such as you that can help us do this.

**There is a gift card enclosed below for you to present to your chosen friend and, once accepted, they'll receive all the usual benefits of registration for six months completely free of charge.** It is then their decision if they would like to remain registered and continue supporting the Hairdressing Council. If you would like to give more than one gift card simply ring **020 8760 7010** and they will be sent to you.

As a thank you for helping boost the numbers on the register, when your friend takes up the gift of six months free registration and returns the giftcard, you will automatically be entered into a prize draw to win a Redken course with me (visit [www.redken.co.uk](http://www.redken.co.uk) for more information on the courses). Draws will take place once every three months. You will have a separate entry for each gift card returned.

There are very exciting times ahead for the registration campaign and I'm really glad you will be alongside me as a part of it.

Yours truly,

Andrew Barton
